

CUSTOM CERAKOTE DOODLE TEMPLATE

DIRECTIONS: Choose 1, 2 or 3 colors for your custom cerakote job. Then take some colored pencils or crayons and start filling in the sections. If you have 1 or 2 colors, then write the numbers 1 and 2 above the areas you want them to be. Otherwise color one is the Primary Color, color two is the Support Color and color three is the Accent Color. Take a phone picture and email support@greysitemanufacturing.com
